

UNITED STATES ENVIRONMENTAL PROTECTION AGENCY

MAY 13 1982

Honorable William Winter
 Governor of Mississippi
 Jackson, Mississippi 39201

Dear Governor:

It is with great pleasure that I am today approving the State of Mississippi NPDES Pretreatment Program.

Your State is the twelfth to request and receive approval for administration of this important program. I congratulate you and your staff for moving so promptly. The transfer of programs such as this to State management is, as you know, a major thrust of President Reagan's domestic policy.

We look forward to working with you and the Department of Natural Resources in continued efforts toward the prevention and control of water pollution in the State of Mississippi.

Sincerely yours,

Anne M. Gorsuch
