THE ADMINISTRATOR

Honorable Richard W. Riley
Governor of South Carolina
Columbia, South Carolina 29211

Dear Governor:

It is with great pleasure that I am today approving the State of South Carolina NPDES Pretreatment Program.

Your State is the tenth to request and receive approval for administration of this important program. I congratulate you and your staff for moving so promptly. The transfer of programs such as this to State management is, as you know, a major thrust of President Reagan's domestic policy.

We look forward to working with you and the Department of Health and Environmental Control in continued efforts toward the prevention and control of water pollution in the State of South Carolina.

Sincerely yours,
