Hi BMP Subgroup Members,

In preparation for our BMP subgroup meeting #2 next Monday, June 24th from 1:00 PM - 2:30 PM, we have attached a revised *Draft Best Practice for BMP Review and Acceptance* based on feedback from you all. Please take a look at this document before next Monday's meeting. During the meeting, we expect to:

- Discuss the *Draft Best Practice for BMP Review and Acceptance*;
- briefly review our *BMP Quality Standards* criteria; and
- review and select BMPs from the BMP Applicability survey against which to pilot the quality standards criteria and BMP review and acceptance process.

Please see the attached Agenda for more details. Below is the call information. Let me know if you have any questions.

Looking forward to speaking with you all next Monday.
