Kelly,

I understand. We'll be sure to follow up with you to give you an update.

By the way, congratulations on getting the first two technical trading memos out. I know that's been a lengthy process.

Cheers,

Joe

Joe et al,

I just had a Regional Administrator briefing scheduled during the time for our call tomorrow, so I apologize but I will not be able to attend. I understand that rescheduling will be very difficult, so please go ahead without me, and I can just convey any comments I have separately to Joe. Of course, should the RA briefing be cancelled, I will join the call.

My apologies,
Kelly
