Subject: Strawman Draft Tier 1 JRA Follow Up

David and Kelly,

I'm circling back around to see if you thought you'd be able to provide comments on the strawman draft of Tier 1 for the best practices on water quality trading joint regional agreement (attached). We'd like to turn a draft that reflects the suggestions from the entire group. If you would prefer to provide me comments over the phone please let me know and I can give you a call.

Best,

Joe

Hi Everyone,

We've found a time to discuss the Tier 1 authorities section of the water quality trading joint regional agreement (JRA): this Wednesday, April 3, from 8:30-9:30am. The call in number is 1-877-807-4884, and the Guest Code: 888.

Here is the agenda for the call:

- Introductions: Larry Knudsen (Oregon DOJ), David Allnutt and Kelly Gable (EPA Regional Counsel), Doug Conde (Idaho AG), Melissa Gildersleeve and Ben Rau (Washington Department of Ecology), and Joe Furia, Tim Wigington and Karin Power (The Freshwater Trust).
- Stawman Discussion Draft of Tier 1 (Attached): all of you have seen this draft in one form or another over the last few months. We've updated it here based on your suggestions.
- Proposed Process Going Forward: turnaround for comments, revised drafts, and monthly calls.

If you have any questions or if your schedule has changed please let me know.
