Claire, Thanks for your help with these meetings and your excellent feedback on our draft CIG proposal. These meeting times are great. I have copied Tracy Stanton and Alan Horton here. They are scheduling other meetings, so it is important that we keep schedules aligned.

Subject: Second meeting on Feb 16

David,

The meeting on Feb. 16 with Mike Bussell and others is 10:30 - 11:30, so I went ahead and set up the meeting about the SRF barrier to purchasing credits with Paula VanHaagen and Michelle Tucker (Paula said she didn't think anyone else was needed) for 11:30 - 12:30 - which may be more time than you need but wanted to get the time set aside on their calendars. If you'd rather break up the meetings and come back later in the afternoon, let me know and I can move it - their calendars show they are available (so far) the rest of the day.
