Subject: Meeting on Feb. 17th at 1 pm

David & Tracy,

We had to reschedule the meeting about the CIG proposal for Feb. 17th so that Christine Psyk would be able to attend. It is now scheduled for 1 - 2 pm on Fri. Feb. 17. You should come to the 12th floor of our building and get checked in with our Service Center and then they will call me to escort you to where we are meeting on the 15th floor. In addition to Christine Psyk (Associate Director of the Office of Water & Watersheds), I will inform ahead of time the key people who are invited to the meeting - Dave Croxton (Manager of the TMDL unit), Mike Lidgard (Manager of the NPDES Permits unit) and Paula VanHaagen (Manager of the Grants and Strategic Planning unit, which includes stormwater and SRF work).

The SRF discussion is still scheduled for Thurs., Feb. 16, 11:30 am -12 :30 pm, and I've added Alan Henning and Dave Belyea to the attendee list (they will be calling in); Ranae Nomura said she had a conflict with the meeting time. Again, just go to the 12th floor when you arrive and I'll be called to escort you to the meeting room.
