Revised Word doc with new budget and budget narrative attached. Also attached final budget as spreadsheet.

Still have to do the SF424As for each year for the budget part. I'll do that next and send to you, Bobby.

Bobby, you might review the checklist in the RFP (page 19) and see what else is missing.

Hi gang,

I swore I sent this out this morning, but may have missed it. Attached is the close to final draft. Budget Narrative needs updating, but EPA and other comments are inserted. I had them in track changes, but needed to accept them to deal with space constraints. Thanks!
