Hello...

Willamette Partnership Network

Carrie Sanneman

Specialist

Carrie has invited you to join the **Joint Regional Agreement** Workspace on PBworks, an online tool for team collaboration.

This invitation is intended for you (Schary.Claire@epamail.epa.gov) and will not work for anyone else. For your security, please do not forward or share this email.

Hi,

Please use this link to set up an account on the JRA project workspace. This is where we'll house documents and materials before and after meetings. If you have any troubles signing on or navigating your way to documents for the upcoming Convening Interviews, please let me know at sanneman@willamettepartnership.org or call 503.894.8426

And please let me know if there are others that need access to the site.

Thanks,

Carrie

[Create your account](#)

PBworks is an online team collaboration tool that lets your team capture knowledge, share files, and manage projects.
