Subject: Action Items from Workshop #2

Hi Everyone,

Thank you again for such a productive workshop the other. We're excited about all the discussions we had and the work ahead.

Coming up: We will get you a draft meeting summary in just a couple days, so please anticipate giving that a quick review. Draft Best Practices from this meeting and a refined version of those from Workshop #1 will also come to you within the next 2-3 weeks. Please anticipate giving a detailed read to those. These are the core of what we'll be agreeing to pilot come November.

Action Items: While we finish up meeting notes, we wanted to get a jump start on action items, those we noted for agency staff are listed below:

1. By 6/21: Review Workshop #2 discussion guides and provide comments. These will be used primarily in the development of Draft Best Practices around these elements.
2. By 7/1: Send WP and TFT individual state rules, regs, policy, and agreements on confidentiality and FOIA
3. By 7/1: Send WP/TFT examples of TMDLs with concentration limits

2-pager: The final JRA two-pager/factsheet is attached. We will be posting a PDF version online by the end of next week. Thanks to all for the numerous rounds of review. We feel confident this is a strong and accurate representation of our work.

Best,
Carrie
