I jumped the gun in sending you the message earlier today because now all the same documents I provided, plus the final agenda and the confidential contract between TFT and Medford, are attached to this message from the Willamette Partnership. This should be a great meeting, and I hope you have time to look through some of the documents in advance, so that you will have some questions ready to ask the presenters.

Hi Everyone,

Attached are the final agenda and materials for next Monday's meeting (3/18; 1:30-4:30) at EPA headquarters to walk-through the Medford trade from TMDL to transaction model. The following materials are attached, and everything is also up on the [project website](#).

- Agenda
- "What is water quality trading" 1-page handout
- Rogue TMDL fact sheet
- City of Medford NPDES Permit (pgs 10,11, 16, 21-23)
- City of Medford Thermal Credit Trading Plan
- TFT & City of Medford Thermal Credit Contract

We're sorry we could accommodate everyone's schedule. For those interested in attending remotely, there is webinar and call-in information on the agenda as well.

Please send this along to others that are attending and feel free to follow up with any questions.

Best,
Carrie
