Hi Musa,

Bill Stewart's email address is stewart.williamc@epa.gov, and his phone number is 208-378-5753. He said he would try to find out what the DEQ folks' flight times are.

Hi Claire,

I'm in the process of coordinating the plane ticket for Bill and realized I don't have his email and/or other contact information.

Does he know the plane flight itinerary of the DEQ folks or will I need to be in touch with them to get that information.

Let me know when you have a moment - thanks!

Musa

Hi Musa,

Sorry for the delay in my response but I just heard from the final person I needed to get in touch with before I sent you this message. From EPA, the following people will attend and stay the night for the April 9-10 meeting:

Claire Schary

Susan Poulson

Bill Stewart

Dustan Bott

Susan & Claire can share rooms (two beds please) and Bill & Dustan can share rooms (two beds please). No one smokes, if that matters.

Christine Psyk will come for the first day but leave at the end of the meeting.

Also, Bill Stewart will need a plane ticket to fly round-trip from Boise to Seattle. Please let me know how that will be arranged. He can share a ride with the Idaho DEQ folks for his transport to and from the meeting location, so matching his flight times with theirs would be best.

Please let me know if you need anything else.
