WI/WI ~~order~~ mts.

- what mechanisms could be put in place
to do this

- if this needed - ^{yes} national network need

- what would set of best practices look
like?

→ Cleaners to join in & also has kept
→ and needs to be at the table to think
through options.

- spend sheet is 1st attempt to break down
those elements

Qr

How are market efficiency / from consistency
equivalent to legal defensibility?

- lower uranium to be sued on.
- integrity & high bar

Legal options needed.

Cincinnati US water Alliance
higher level focus - ^{using WGT} level
dumbly?
+ NACWA working on trading
• TBT (Bund) joins NACWA to be a member

Overlapping policy work between WWT and other mgt
& Cincinnati mgt but not same goals.
(symmetric information vs. policy needs)

Both we trading food water market law firm
but not expecting anyone to act either.
Other regions are not as engaged
