Subject: Notes from Kick-Off call

---

Hi Everyone,

Please find attached the notes from last Friday's call, please let me know any additions, corrections, or suggestions for how we provide meeting summaries in the future.

We will have a contact list and updated process diagram out to you by the end of the week. We will also be putting together a project website to post agendas, summaries, and other materials. If you have not sent me your availability through the end of January and any known travel/black out days through next fall, please send that to me as soon as possible.

Thank you,

Carrie
