Hi everyone,

I know you've been hoping for some reading material for the holiday weekend, so attached are the agenda and materials for the next interagency workshop. Like workshop #1, we have a lot of content on the agenda to cover, and we would very much appreciate if you are able to give these materials your attention between now and then so that we can come to the workshop on the same page and work through them efficiently. All will be up on the project website tomorrow morning, let me know if you are having trouble accessing them:

- **Draft Agenda:** includes directions to Edgefield
- **Discussion Guides**
    - o **Draft Communications Plan**
    - o **Credit Characteristics:** covering start and end date, renewal, etc.
    - o **Overall Trading Program Requirements:** including trading ratios, reserve pool, WLA and LAs and how they relate to baseline
    - o **Credit quantification and site assessments:** modeling approaches

Neil will be checking in with someone from each agency to walk through the agenda and materials sometime next week, but send along questions, concerns, and any additions to the agenda.

Hope everyone has a great holiday weekend!

Best,
Carrie
